This second volume of Lucy Maud Montgomery's journals covers the period from 1910 to 1921, a time of great upheaval, both in her life, and in the world around her. When she wrote the first entry she was already a world-famous author, having published "Anne of Green Gables" in 1908. She records her thoughts and feelings about the death of her grandmother, who had controlled her life so strictly, her marriage, and the move from her beloved Prince Edward Island to a small Ontario town. She describes the rewards and difficulties of being a successful author, her troubled married life. I wish every fan had the chance to read so many of their favorite author's words and thoughts as we Montgomery fans have with her Selected Journals. It is absolutely amazing to read paragraphs from her journals that end up in her books. I love to read what was happening in her life as she wrote the books I have loved since childhood. It is occasionally difficult to reconcile the sometimes melancholy Montgomery with the creator of Anne, who is characterized specifically by her positive perspective. But it does not take away from the beauty of Montgomery's books, and it makes the depth
