The Complete Guide to Psychological and Spiritual Growth for the Nine Personality Types. The Wisdom of the enneagram. So why do we find this state so hard to recognize and live up to? We believe that most self-help books are not necessarily wrong, but merely incomplete. For example, even with a basic topic like weight loss, there are many possible reasons why a person might have a weight problem or issues with food—a sugar sensitivity, or excessive fat in the diet, or nervous eating to repress anxiety, or any number of other emotional issues.
