Right on the first page, Jackson writes that he "didn't want this book to be about the small petty gossip that makes up a lot of the NBA world" (p. 1). Read about this network here that has been mapped for the first time! <https://www.sciencemag.org/wood-wide-web-underground-net> In search of the lucrative matsutake mushroom, two former soldiers discover the means to gradually heal their wounds of war. Roger, a self-described 'fall-down drunk' and sniper in Vietnam, and Kouy, a Cambodian refugee who fought the Khmer Rouge, bonded in the bustling tent-city known as Mushroom Camp, which pops up each autumn in the Oregon woods. Their friendship became an adoptive family. Share this Rating.
