Moreover, as Dr. Andreades truly records the says, they contain are full of incident and of romance. almost attraction, Why have we had to wait so long for a worthy formal and fairly complete handling of such an interesting and fundamental chapter in. our economic history. ; Dr. Andreades. The Bank of England stands out as a striking exIt never seems to have published ception to the rule. any reports, or even to have preserved its own minutes and accounts. We have mainly to rely for any official England, England. "Satire at its best." The New York Times Book Review. "Sly philosophical and social commentary." Chicago Tribune. "Barnes has written nothing more poignant and enticing." The Sunday Times (London). "Julian Barnes] has shown himself as master of intellectual fun." "Julian Barnes has produced the first classic dystopia of the 21st century." In passages as brilliant as they are witty, Barnes satirizes the modern world's obsession with imitation. "The Christian Science Monitor. "Moves with swiftness and precision. As the tale unfolds, with all its chicanery and reflectiveness, you begin to realize that beneath its sleek surface the satire is offering something more than irony or outrage. [England, England] offers a qualified faith in what is genuine."
