"Comprehensive Classroom Management presents practical methods for creating a positive learning environment, working with behavioral problems, and dealing with a range of challenges in the K-12 classroom." "This text uses real-life examples to help both pre- and in-service teachers understand and apply the principles of classroom management in their own classroom situations. Problem. Often when her class are about to embark on an activity it occurs to her that all the whispers and puzzled faces mean that they haven't a clue what to do. Possible reasons. a) instructions weren't clear for students; b) instructions were too complicated. Sitting behind a desk or standing on a dais creates a "distance" between the teacher and the students. Try to have an aisle and enough space between the rows so that you can easily reach those at the back. This way you can talk to individual students, allow the shy ones to ask questions quietly without the fear of embarrassment, as well as check their work and help them. and kinesthetic materials; look through your classroom management, correct it, make your lessons lively. classroom management. problems.
