The most popular color? You guessed it: red. Cambridge University Press publishes research monographs, academic reference, textbooks, books for professionals, and books for graduate students. Cambridge University Press publishes a wide range of research monographs, academic reference, textbooks, books for professionals, and large numbers of books aimed at graduate students. We publish more than 30,000 ebooks for the global market, with 1,500 new titles added on average each year alongside our print publications. New books. View all. Book. Free Download: Book Proposal Template. Make publishers take notice. Use this simple template and take the guesswork out of crafting a book proposal that sells. Modern publishing is a tricky game – especially when trying to figure out the biggest names within that game. Most major publishers are part of a larger media conglomerate, prominent indie presses excepted, and a search for the year's largest book publishers will often yield companies that work with other forms of content rather than books.
