Free Essay: Abstract: Joint Stock Companies are the main core of any economy growth, it is the only form of private limited company, and it is very... In this research paper, we will define what is Joint Stock Companies (JSC), what are its advantages, disadvantages, its types, how to establish and what are the requirements. and a comparison between the old and new law. By the end, the reader will be able to understand the basics of joint stock company. When you think of all the largest companies in the world, these are not proprietorships or partnerships. These companies are all joint stock companies. When dealing with business on a fairly large scale, a joint stock company is the most suitable form of business organisation. Let us see why. According to Essay Basics, an essay is something which is normally defined as a piece of work written in prose (though there are some exceptions), with a dedicated structure, including an introduction, a conclusion, and (at their most basic) three to five body paragraphs. Essays themselves can be divided into three subcategories " personal, objective, and abstract " though there are many different subcategories. Because the structure of
