MAYO, MAYO CLINIC and the Mayo triple-shield logo are marks of Mayo Foundation for Medical Education and Research. A Note to Readers. In this book, we commonly use the term doctor when referring to an interaction between a health care professional and a patient. However, we are well aware that health care today is often provided by individuals who aren't medical doctors. Other talented providers such as physician assistants, nurse practitioners, clinical nurse specialists and nurse midwives are taking on an increasing role in medicine, especially in providing primary care.
