Wedding Gifts For Bride. â€œThe Conscious Bride,â€ by Sheryl Paul, in fact, has become my engagement companion. Paul is a bridal counselor based in California who specializes in â€œhelping women understand the emotions that arise during engagement, wedding, and the first year of marriage.â€ I plucked â€œThe Conscious Brideâ€ from among the decorative keepsake planners, and sat down on the floor to investigate. I first tried to decide what an unconscious bride was. While family and future in-laws squabble over the menu and the table decorations, brides are supposed to sit, smile, and bask in the prospect of their happiness, even though that prospect is guaranteed to include the post-wedding depression that hits some 90 percent of women during their first year of marriage. This is a must-have book for any woman who has found the partner she wants to be with for the rest of her life and has made up her mind to celebrate that commitment. The Conscious Bride. 37 likes.
