

# Americans with Disabilities Act Handbook: 1993 Cumulative Supplement | 9780471307648 | John Wiley & Sons Australia, Limited, 1993 | Henry H. Perritt | 1993

The Americans with Disabilities Act (ADA) was a landmark civil rights law enacted in 1990. The act was critically important for enabling individuals with disabilities to access employment and thereby health care for a society in which health insurance is primarily employment-based. The ADA was designed to protect persons with disabilities from invidious discrimination and, when needed, offered reasonable accommodations and modifications to enable them to fully participate in society. Credit offered by NewDay Ltd, over 18s only, subject to status. The Americans with Disabilities Act (ADA) is a revolutionary piece of legislation designed to protect the civil rights of people who have physical and mental disabilities, in a manner similar to that in which previous civil rights laws have protected people of various races, religions, and ethnic backgrounds. The ADA mandates changes in the way that both private businesses and the government conduct business to ensure that all Americans have full access to and can fully participate in every aspect of society. The ADA requires the removal of barriers that deny individuals with disabilities equal Start by marking "Americans With Disabilities Act Handbook: 1996 Cumulative Supplement (Americans With Disabilities Act Handbook Cumulative Supplement)" as Want to Read: Want to Read saving!
