Never, never begin a story this way when you write one. No opening could possibly be worse. It is unimaginative, flat, dry and likely to consist of mere wind. But in this instance it is allowable. For the following paragraph, which should have inaugurated the narrative, is too wildly extravagant and preposterous to be flaunted in the face of the reader without preparation. Sarah was crying over her bill of fare. And then, all these theories being wrong, you will please let the story proceed. The gentleman who announced that the world was an oyster which he with his sword would open made a larger hit than he deserved. It is not difficult to open an oyster with a sword. But did you ever notice any one try to open the terrestrial bivalve with a typewriter? Like to wait for a dozen raw opened that way? On "The Heart Part 4," Kendrick Lamar floats across four distinct beat changes, describing his industrious lifestyle while challenging his contemporaries. He finishes the song with the line "Y'all got 'til April the 7th to get y'all shit together," which is when TDE released the pre-order for his new album on iTunes. The song is Kendrick's first single of 2017, which he initially teased in a now-deleted Instagram post the day before its release. The first installment, "The Heart Pt. 1," was released prior to any major mixtape or album, while the second song in the series appeared on Kendrick's 2010 mixtape *Overly Dedicated*. The third song, featuring Jay Rock and Ab-Soul, was released as a single in 2012. Stories were her children. Each story-child had its dress - white, blue, red, green and black. The stories lived in her house and did everything for her. One day a sheep ran against the door of the house where the mouse lived. The door was old and it broke and all the stories ran out. And now they run up and down over all the earth. Listen to some of them!
