Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

The Web Designer's 101 Most Important Decisions: Professional Secrets for a Winning Website Paperback 7 May 2012. by Scott Parker (Author). 4.0 out of 5 stars 1 customer review. It would more accurately be described as "101 important things to bear in mind when designing a website". Each of those 101 things is briefly described on one (or sometimes 2) pages; they are all important so the book is at one level a "check list" of what to remember.
