

The Tibetan History Reader #752 pages #9780231513548 #2013 #Columbia University Press, 2013 #Gray Tuttle, Kurtis R. Schaeffer

Tibetan history, as it has been recorded, is particularly focused on the history of Buddhism in Tibet. This is partly due to the pivotal role this religion has played in the development of Tibetan and Mongol cultures and partly because almost all native historians of the country were Buddhist monks. Tibet lies between the civilizations of China and India. Extensive mountain ranges to the east of the Tibetan Plateau mark the border with China, and the towering Himalayas of Nepal and India form a Start reading The Tibetan History Reader for free and get access to an unlimited library of academic and non-fiction books on Perlego. 1. Preview "The Tibetan History Reader" by Gray Tuttle. The Tibetan History Reader. by. Gray Tuttle (Editor) The Tibetan History Reader assembles crucial studies of Tibetan history, organized in a comprehensive chronological framework, to make available concise yet detailed essays drawn principally from the last half-century of Tibetan studies, most of which have been inaccessible to a general audience. Emphasizing political, social, and cultural history, this book is designed to introduce Tibet to university courses on Asian studies, religious studies, and world civilizations. It is our hope that the Reader becomes the first place to which students and scholars of Asia turn when seeking accurate, in
