New York, USA: Oxford University Press. pp. 158-75. Will Kymlicka is widely regarded as the most influential and original theorist of the rights and status of ethnocultural groups in liberal democracies. This volume brings together fifteen of Will Kymlicka's recent essays on nationalism, multiculturalism and citizenship. These essays expand on the well-known theory of minority rights first developed in his Multicultural Citizenship. In these new essays, Kymlicka applies his theory to several pressing controversies regarding ethnic relations today, responds to some of his critics, and situates the debate over minority rights within the large This volume brings together fifteen of his most important essays, tackling pressing issues of immigration, nationalism, multiculturalism, and the meaning of citizenship in today's increasingly pluralistic societies. These essays will enrich our understanding of the theory and practice of ethnic relations Read Full Overview. Politics in the Vernacular presents a collection of extremely interesting and well-written essays that offer insightful and thought-provoking analysis of a number of issues central to the ongoing discourse surrounding minority rights. Importantly, its arguments are equally accessible to specialists and non-specialists, and the book contains a substantial independent bibliography and a thorough, helpful index. (Shaun Young, Canadian Public Administration). Synopsis. This volume brings together eighteen of Will Kymlicka's recent essays on nationalism, multiculturalism and citizenship. These
