

Niv Handy Concordance, Edward W. Goodrick, John R. Kohlenberger, III, 9780310436614, Zondervan, 1988, 1988

It uses a 9 point version of the NIV Comfort Print typeface designed by 2K/Denmark. There are three shades of ink used, a nice medium darkness black for most of the text, a bright red for the words of Christ, and a darker red for chapter numbers, section headings, and the reference keys. The print darkness is consistent throughout. Even small dictionaries and concordances can be handy, especially when any other books or Bibles are not available. The inclusion of this combined section does make this Bible more all-purpose. Final Thoughts on the Journal the Word Reference Bible. The NIV Journal the Word Reference Bible is a really nice journaling Bible. Buy a cheap copy of Niv Handy Concordance book by Edward W. Goodrick.
