Writing London is a brilliant book...Writing London conveys an excitement endowed by passion and intellectual risk, and more such studies of the nineteenth century would be welcome.' - Isobel Armstrong, Times Literary Supplement. 'Writing London is an absorbing and lively study, which can usefully be added to the great flood of literature concerning the city.' - Peter Ackroyd, Times. About the Author. Julian Wolfreys is Professor of Modern Literature and Culture at Loughborough University, UK. He was previously Professor in Literature at the University of Florida, USA. His
