It has become the go-to book on the 34th America's Cup as a means of quickly checking a fact, or time sequence or some aspect of the Cup that has become a little fuzzy even after this short passage of time. It should have a place in everyone's laptop kitbag, either as a quick read in a spare moment, or as a serious reference." -Sail-World.com. Book Preview. Winging It - Diane Swintal.
