

# The Royal Women of Amarna: Images of Beauty from Ancient Egypt. 169 pages. 9780870998164. Metropolitan Museum of Art, 1996. 1996. Dorothea Arnold, Metropolitan Museum of Art Staff, L. Green, Metropolitan Museum of Art (New York, N.Y.), James P. Allen

The royal women of Amarna have more surviving text about them than any other women from ancient Egypt. It is clear that they played a large role in royal and religious functions. These women were frequently portrayed as powerful in their own right. Queen Nefertiti was said to be the force behind the new monotheist religion[citation needed]. Nefertiti, whose name means "the beautiful one is here," bore six of Akhenaten's daughters. The Royal Women of Amarna: Images of Beauty from Ancient Egypt.
