On My Terms: From the Grassroots to the Corridors of Power

By Sharad Pawar

Speaking Tigers, New Delhi, 2015. Hardcover. Book Condition: New. 312pp. Sharad Pawar is one of India's key public figures. Through his five-decade-long career, during which he has never lost an election, he has served as chief minister of Maharashtra four times and as India's defence minister and minister for agriculture. On two occasions he came close to becoming the country's prime minister. He has often bucked the trend, preferring policy and pragmatism over populism, and won admiration for his administrative acumen and consensual politics. Eyewitness at the highest levels to India's and Maharashtra's history since the 1960s, he shares in this memoir his reflections on coalition politics, the loss of democracy in the Congress Party (with which he began his political life), the state of agriculture and industry in the country, and the absolute necessity of social harmony and a liberal, inclusive ethos for India's future. As he does this, he also gives us rare information about many crises and turning points: Emergency and its impact on national and regional politics; the fall of the Chandrashekhar government in 1991; the signing of the Punjab Accord between Rajiv Gandhi and H.S. Longowal; the Babri Masjid demolition; the Mumbai bomb blasts of 1993;...

Sharad Pawar - The man who rose from grassroots to the corridors of power. I have read this book in 2020, and In 2019 we saw a major shift occurring in Maharashtra politics. It was something which has given life to diminishing power of NCP and congress. It was this reason I was interested in reading his book, not because I was inspired by him but how the mind of such a person works. While growing up we often used to hear about Sharad Pawar being the richest politicians of world Or India or he has Sharad Pawar - The man who rose from grassroots to the corridors of power.
