A Critical Perspective on Evidence-Based Reform. by Andrew J Dick, William Rich, Tony Waters. Buy the eBook. This book explores California's prison system in the context of vocational education reform. For prisons in the early twenty-first century, ideologies of evidence-based management meant that reform efforts to change the purpose of prisons from punishment to rehabilitation through vocational education required "evidence" to justify policy prescriptions. Yet who determines what constitutes evidence? In political environments, solutions are typically pre-conceived, which means that the nature of the evidence collected is also preconceived.
