Classroom Management is a term teachers use to describe the process of ensuring that classroom lessons run smoothly without disruptive behavior from students compromising the delivery of instruction. The term also implies the prevention of disruptive behavior preemptively, as well as effectively responding to it after it happens. It is a difficult aspect of teaching for many teachers. Problems in this area causes some to leave teaching. In 1981, the US National Educational Association reported that 36 Comprehensive classroom management creating communities of support and solving problems. 1.
