Description:

From Publishers Weekly Limbaugh's send-up of American liberalism was a 13-week PW bestseller.

Copyright 1994 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

From By its second day in the stores, Limbaugh's second book had the biggest early sales of a hardcover book in publishing history. That's what the man himself let slip on his radio show, and as he says, he purveys only the truth--a statement that is itself true in terms of both factual accuracy and ideological sincerity. But the truth has little to do with Limbaugh's appeal and success. Those come to him because he is relentlessly upbeat, an indomitable patriot, a booster for capitalism, and a feisty flouter of sanctimonious special pleaders and those most despised of nay-sayers, establishment (the *Times*, the *Post*, *Time*, *Newsweek*, the networks, etc.) journalists, who'd be much (well. . . a teensy bit, maybe) more acceptable to Limbaugh if they'd only 'fess up to their liberal bias. All of those qualities are here in spades, just as they were in last year's phenomenal best-seller, *The Way Things Ought to Be*. What's missing is Limbaugh's hilarious, irreverent, and canny use of pop culture--for instance,

the New Orleans novelty song, "Ain't Got No Home," introducing updates on homelessness, and a 1960s surfer-rock parody called "The Little First Lady with Meg'lomania," twitting Hillary Clinton--which highlights his radio program and makes it magnetically listenable. To make up for this loss, there's at least chapter 25, "The Politically Correct Liberal Lexicon," but, really, there's no loss to make up, for Limbaugh in his more somber print manifestation is still political and social commentary so lively it cries out to be read and agreed or disagreed with, but always enjoyed. *Ray Olson* --This text refers to an out of print or unavailable edition of this title.

Lyrics "Keith Urban - I Told You So". You said you needed your space I wasn't where you wanted to be I didn't stand in your way I only want you to be happy And so surprised am I to see you here tonight Well, can't you see that for worse or for better We're better together Please, just come back home And don't say that. you're sorry And I won't say I told you so Sometimes in our lives We get to where we wonder if The long road that we're on Is heading in the same direction When it comes to you and me We're right where I know we should be Oh (I) told you (so)! definition: 1. said when something bad happens after you warned someone that it would happen 2. said whenâ€¦. Learn more.Â Add (I) told you (so)! to one of your lists below, or create a new one. More. {{name}}. Go to your word lists. {{#verifyErrors}}. {{message}}. {{/verifyErrors}} {{^verifyErrors}} {{#message}}. âœI Told You Soâ€ describes how Keiths' significant other told him that she wanted her space and that she wants to live her life without him for awhile. He meets her again by chance, and he tries to tell her that they are âœbetter togetherâ€ and that he wonâ€™t say âœI told you soâ€ when they get back together. The song has a Celtic feel to it due to the use of the Uilleann Pipes. "I Told You So" Track Info. "I Told You So" is a song written and recorded by American country music singer Randy Travis from his 1987 album, Always & Forever. It reached number one on the U.S. Billboard and Canadian RPM country singles charts in June 1988. Travis had first recorded it on his 1983 album Live at the Nashville Palace under his stage name "Randy Ray". It became a local hit and one of his most requested songs at the club. In 2007, the song was covered by Carrie Underwood on her album Carnival Ride. Her version was I told you so. Used to remind someone that they were already warned by the speaker/writer that a certain event would happen. 1918, Edgar Rice Burroughs, The Land That Time Forgot Chapter IV. "See that, man!" Some flowers and grasses and another leafy branch floated toward us. We both scanned the water and the coastline. Bradley evidently discovered something, or at least thought that he had. He called down for a bucket and a rope, and when they were passed up to him, he lowered the former into the sea
