From Wikipedia, the free encyclopedia. Jump to navigation Jump to search. WikiProject Wikipedia-Books. Consider replacing them with free media from Wikimedia Commons if possible. ^[b] This is not an assessment of the quality of the book as a whole, but rather a rough estimate of the average quality of the articles therein. Books with high averages may be missing content or suffer other problems. Conversely, books with low averages may contain articles with outdated assessments, or articles which may never grow beyond a certain limit simply because there is not a lot to say about them.
