### Description:

**Review** "This NRSV edition can survive beyond the Sunday-school classroom or hotel nightstand; the reader walks away with a greater appreciation for Lewis's oeuvre, and may even pick up a thing or two from the Good Book in the process." (The New Yorker)

For longtime admirers of Lewis—or those just awakened to his contributions through the Narnia films—[The C.S. Lewis Bible] would make a welcome addition to enrich personal devotional times. (United Methodist Reporter)

### From the Back Cover

Beloved author C. S. Lewis is one of the world's most influential Christian thinkers and a trusted companion for millions of readers. The C. S. Lewis Bible draws upon the distinctive wisdom of Lewis's celebrated spiritual classics—Mere Christianity, The Screwtape Letters, The Great Divorce, The Problem of Pain, Miracles, and A Grief Observed—as well as his other distinguished works, and pairs them alongside the life-giving words of Scripture.

As you engage in devotional Bible reading with the full text of the trusted NRSV Bible, you will also gain insight from Lewis's writings and spiritual journey while exploring key issues in the life of faith. Each reading will draw you deeper into Scripture as you wrestle with and meditate on spiritual truths woven throughout the text. The C. S. Lewis Bible is an indispensable companion for everyone who cherishes Lewis's timeless words and seeks to meditate on the truths of Scripture.

Clive Staples Lewis (29 November 1898 – 22 November 1963) was a British writer and lay theologian. He held academic positions in English literature at both Oxford University (Magdalen College, 1925–1954) and Cambridge University (Magdalene College, 1954–1963). He is best known for his works of fiction, especially *The Screwtape Letters*, *The Chronicles of Narnia*, and *The Space Trilogy*, and for his non-fiction Christian apologetics, such as *Mere Christianity*, *Miracles*, and *The Problem of Pain*.

The C. S. Lewis Bible: Clive Staples Lewis (1898–1963) was one of the intellectual giants of the twentieth century and arguably the most influential Christian writer of his day. He was a Fellow and Tutor in English literature at Oxford University until 1954, when he was unanimously elected to the Chair of Medieval and Renaissance English at Cambridge University, a position he held until his retirement. If you have an immediate prayer need, please call our 24-hour prayer line at 800-700-7000.

C.S. Lewis. That name rolls off the tongue with buttery smoothness and emanates a vivaciously ethereal theological preponderance. It makes billions of people well up with emotion and delight. It is a name more beloved than any other name in Christian history that is not found in the Bible itself. The book *Mere Christianity* is listed as the 3rd most influential book for Evangelicals (1) It is listed in just about every list of top Christian books of all time. (2, 3, 4, 5, 6, 7, 8, 9, 10) C.S. Lewis is beloved by everyone from Roman Catholics to scores of Baptists and Pentecostals. He remains

But what did CS Lewis mean when he came to the realization that Christianity was not just Myth, but True Myth. And furthermore, was he talking about the Bible in its entirety or just the Gospel? bible cs-lewis. share | improve this question |. The existence of the story can still shape a nation and a culture. But given that they mostly aren't historical, the word 'myth' in common parlance has come to mean 'something that isn't true' (giving rise to 'Mythbusters' for example). But that's not the sense that Lewis, as an academic, intended it. So Lewis' point in calling the Christian story a 'true myth' is that it is a story that is powerful, and capable of changing lives and shaping cultures. It also happens to be historically true. share | improve this answer |. The C.S. Lewis Bible book. Read 25 reviews from the world's largest community for readers. The C.S. This 12-week Bible study digs deep into each chapter and in turn into Lewis's thoughts. Perfect for small group sessions this interactive workbook includes daily, individual study as well as a complete appendix and commentary to supplement and further clarify certain topics. Multiple week format options are also included. C. S. Lewis is an extremely good theologian who does his work for the thoughtful lay person. But his writings reflect his erudite understanding of the great classics of literature, historical theology, philosophy, and other disciplines. Lewis says in Mere Christianity that theology is like a map. We may get where we're going without it, but it is much easier to use the map. The map of Christian theology is drawn over the early centuries of the church as the believing community interprets the Bible and its experience of God. Of course, the ultimate goal of theology, according to Lewis, is practice. To be sure, CS Lewis did not reject the Bible wholesale. He was saying that these inconsistencies made it clear the Bible was not inerrant, but that you could still learn spiritual truths from it if you learned it in the right spirit. What is the 'right spirit,' though? If these parts are unreliable, how do we know the rest is reliable? CS Lewis is saying here that this myth may have come before the Genesis account was written, but that it was probably passed down by God. Just the same, it acknowledges that the myth might be derivative of pagan accounts. Who is to say that the version here is the 'right' one when there were earlier ones?
