BUY NOW: Broken Prince, Book 2. Twisted Palace, Book 3 (Link coming soon). From strip clubs and truck stops to southern coast mansions and prep schools, one girl tries to stay true to herself. These Royals will ruin you! Ella Harper is a survivor—a pragmatic optimist. She's spent her whole life moving from town to town with her flighty mother, struggling. The Paper Bag Princess was first told at the Bay Area Childcare Center in Coos Bay Oregon where I had a job in 1973 and 1974. I had been telling lots and lots of dragon stories. They were all fairly regular dragon stories where the prince saves the princess from the dragon. One day my wife, who also worked at the daycare centre, came to me and said "How come you always have the prince save the princess? Why can't the princess save the prince?" I thought about that and changed around the ending of one of my dragon stories. That made the adults a lot happier, and the kids did not mind. The original The Paper Bag Princess is a children's book written by Robert Munsch and illustrated by Michael Martchenko. It was first published in 1980 by Annick Press, and launched Munsch's career. The story reverses the princess and dragon stereotype. As a result, it has won critical acclaim from feminists, including an endorsement from the National Organization for Women, which sells the book on its website. Since it was first published in 1980 it has sold more than seven million copies worldwide.
