Modern piracy is a serious problem, costing shipping an estimated \$150m in 2008, according to Pirates of the 21st Century. Yet the threat is minor compared to the past. In Somalia, in 2008, there were an estimated 300 sailors being held hostage. Several of the piracy victims in Pirates of the 21st Century deride their attackers as "paranoid druggies" and "unsophisticated hoodlums". Others, such as Capt Phillips, are struck by their orderliness. Treatment of hostages varies too. The golden age of piracy took place when the globalised world was taking shape with the rise of European empires and trans-national corporations such as the East India Company. Pirates sailing on the high seas were linked, however parasitically, to this new capitalist way of life.
