

Immanuel Kant's Critique of Pure Reason; Norman Kemp Smith; 9781446547878; 2011; Read Books Ltd, 2011; 700 pages

Immanuel Kant. Featuring Translated by J. M. D. Meiklejohn. Album The Critique of Pure Reason. The Critique of Pure Reason; Introduction Lyrics. Thus, the critique of reason leads at last, naturally and necessarily To science; and, on the other hand, the dogmatical use of reason without Criticism leads to groundless assertions, against which others equally Specious can always be set, thus ending unavoidably in scepticism. Besides, this science cannot be of great and formidable prolixity Because it has not to do with objects of reason, the variety of which is Inexhaustible, but merely with Reason herself and her problems; problems Which arise out of her own bosom, and are not proposed to her by the Nature of outward things, but by her o This item: Critique of Pure Reason by Immanuel Kant Paperback S\$30.82. Only 1 left in stock (more on the way). Ships from and sold by Amazon SG. FREE Delivery on orders over S\$40.00. Immanuel Kant (1724-1804) was one of the most influential philosophers of all time. His comprehensive and profound thinking on aesthetics, ethics and knowledge has had an immense impact on all subsequent philosophy. Marcus Weigelt's lucid reworking of Max Muller's classic translation makes the critique accessible to a new generation of readers, while his informative introduction places the work in context and elucidates Kant's main arguments.
