

9781483183268

This book places the study of company law in its economic, business and social context. This makes the cases, statutes and other forms of regulation that make up company law more accessible and relevant. Three significant books are also drawn to your attention. We don't suggest you buy these texts but rather that you use them in a library (if you can get access to one).
Parkinson, J.E. Corporate power and responsibility: issues in the theory of company law. (Oxford: Clarendon Press, 1995) [ISBN 9780198259893]. Law : made simple.
